Ribbons furnished by the American Shorthorn Breeders' Association

The Illinois kind. This is Edellyn Royal Leader 114th, bred and owned by Edellyn Farms. He furnishes an example of balanced type, substance, quality, smooth-fleshing and breed character.

About the bulls in this sale . . .

Please note that nearly all of the twenty-nine bulls in this sale are ready to use **now!** These are not just "left-over" bulls . . . they were aimed for this sale six months ago and these loyal consignors have turned down attractive private treaty offers in order to make a strong offering for the annual show and sale of the Illinois Shorthorn Breeders' Association. If you would like to own a really good bull sired by one of today's top sires, here is the place to buy him.

Dronacher's Baron was sired by the Illinois State Sale grand champion Imp. Balnoon Dronach. That he is a good individual is indicated by the fact that he won grand championship at several county fairs. We have a number of very nice calves sired by him. We have recently purchased a new herd bull to use on his half sisters and his daughters so we have decided to sell him.

Rare Conquest—Because the bull intended for this sale is sick, I am substituting our good imported-in-dam bull Rare Conquest. This is possible because some of his heifers are being retained in the herd and we have more of his calves to come. The calves now on the farm are excellent. His dam, by Uppermill Ambassador, is probably our best imported cow. Rare Conquest is an excellent breeding bull of the right age and will do someone a lot of good. He was pretested clean and vaccinated for Bang's.

Hickory Creek Leader G is one of the best bulls we have developed. He is short coupled, compact, thick-fleshed and ready for service. B & B Prince Charles 2nd—A very good headed, heavy boned, short legged bull sired by Ringwell Prince Charles. He is out of a half sister to the junior heifer we sold in the International sale to John Alexander & Sons for \$1,175. He will make someone a real herd sire.

The International Grand Champion and Two of His Sons

The International grand champion Kelburn Banker Royal (shown at the right) and two of his prize winning sons, Elmcrest Royal Banker and Elmcrest Royal Leopold. Five head in this sale from the LoMar and Elmcrest herds are by this famous champion.

A group of beautiful females in the Elmcrest Herd. A bull and a heifer in this sale, both very choice, are from this herd.

Connieland Waverly 3d—This red son of Divide Waverly has a head very much like his famous sire. He is level in his lines, deep in his body and stands on straight, sturdy legs. He is out of our top imported cow, Kildun Clipper 21st by Calrossie Ambition. This should be a great herd bull for someone.

Don't they make you want to come to Illinois?

Just a Word About the Females

It is very difficult to buy females at private treaty. Breeders everywhere have enjoyed a thrifty demand. Moreover, with killer prices at the highest levels in history, they have culled their herds closely during the last few years, and the better young females are needed for replacements.

There are 36 beautiful females in this sale and they are tops from the herds of the best breeders in the leading Shorthorn state. Most of these heifers were consigned because of a feeling of loyalty toward the Illinois Shorthorn Breeders Association and not because of a desire to part with them.

You can buy better females in this sale than you can possibly obtain at private treaty, and you will save much time and expense in so doing. We hope you will take particular note of the fact that those offered in this sale are daughters of the most famous sires in the land, and many of them are carrying the service of equally famous sires.

SHOWING EXACT LOCATIONS OF THE FARMS OF ALL MEMBERS

329 Mumford Hall, Urbana, Illinois

Let's Do A Little Figuring

We make a lot of claims for Illinois . . . of course we do . . . but they are not empty claims . . . we really have the facts to back them . . . let's take the records of the International Live Stock Exposition as an example . . . at the last five shows an Illinois bred group has won first prize in the important get-of-sire class . . . at the 1949 International the first nine "gets" were by bulls or sons of bulls bred or owned in Illinois . . . at the 1950 International seven of the first ten "gets" were by bulls or sons of bulls bred or owned in Illinois . . . of the twelve classes for individual animals at the 1950 International, seven were headed by Illinois bred animals or descendants of sires bred in Illinois . . . at the 1951 International, nine of the twelve first prize ribbons in classes for individual animals, and all four championship ribbons were won by Illinois-bred animals or descendants of sires bred in Illinois . . . and three of the champions were exhibited by Illinois breeders who are consigning to this sale.

**Is it any wonder we say, "You Can
buy with confidence in Illinois!"**

STANDARD GUARANTEE

of

American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bulls. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such cases is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

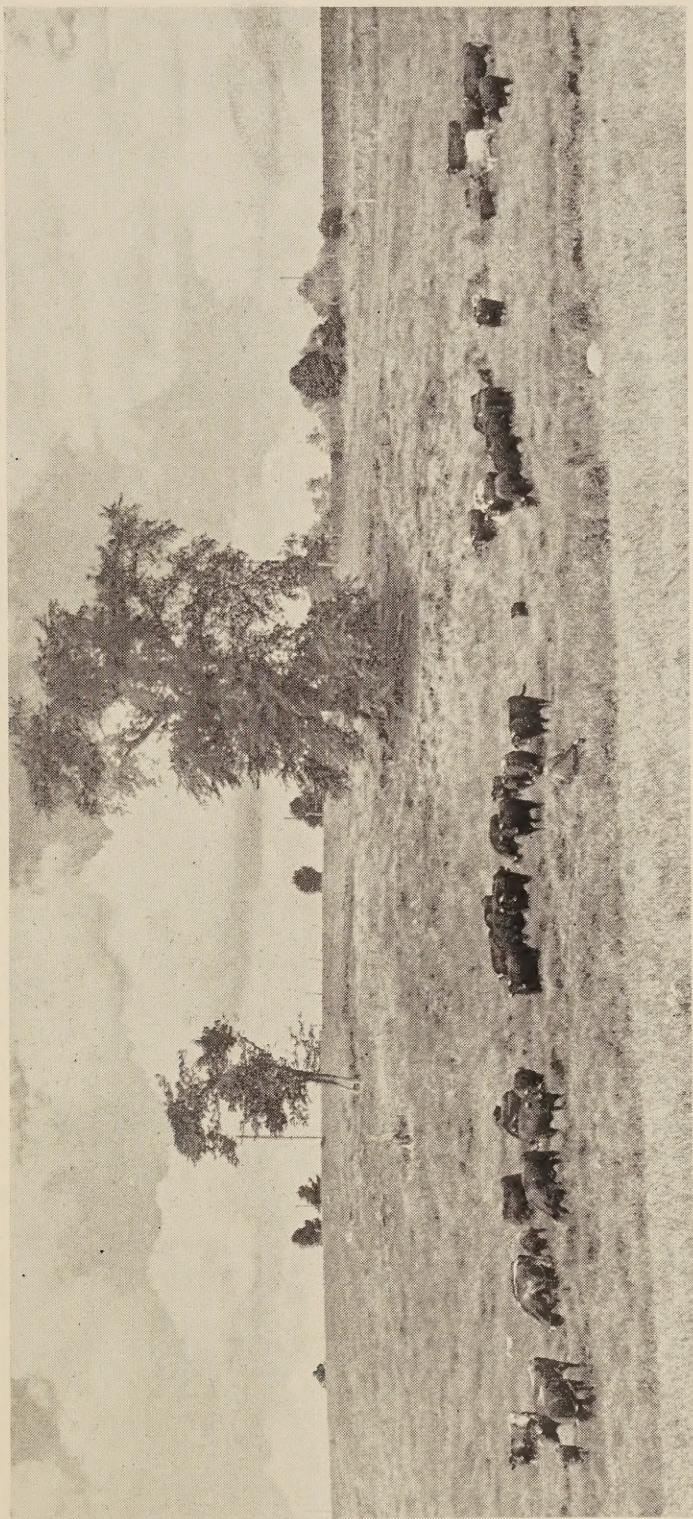

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Illinois Shorthorn Breeders' Ass'n, the Sale Manager, nor the clerk of the sale assumes any liability, legal or otherwise.

A scene at Kickapoo Farms, owned by Stanley G. Harris, Chicago, Illinois.
